Welcome to this spacious split level home surrounded by colorful gardens and trees. A roomy, one car garage and two car driveway provide plenty of guest parking. The home is located on a nicely landscaped large corner lot, with additional parking on the side street.

You will find newly refinished hardwood floors on the main and upper level of the home. The entire home is freshly painted and awaiting it's new owner!

Extra large windows in the Dining Room and Living Room, allow the home to be bathed in sunlight. The remainder of the home has double pane replacement windows. Three nicely sized bedrooms and two full baths reside on the upper level.

The generously sized Dining Room and step-down Living Room are perfect for entertaining. The wood burning fireplace is framed by beautiful custom built-ins. A small, but functional kitchen has table space and an exit to the side yard.

Lower Level 1 includes a half bath as well as a Family Room. Lower Level 2 has a tremendous amount of storage space with built-in cabinets and work areas.
